

How To Approach Recruiters On LinkedIn

What should you say
once you connect?

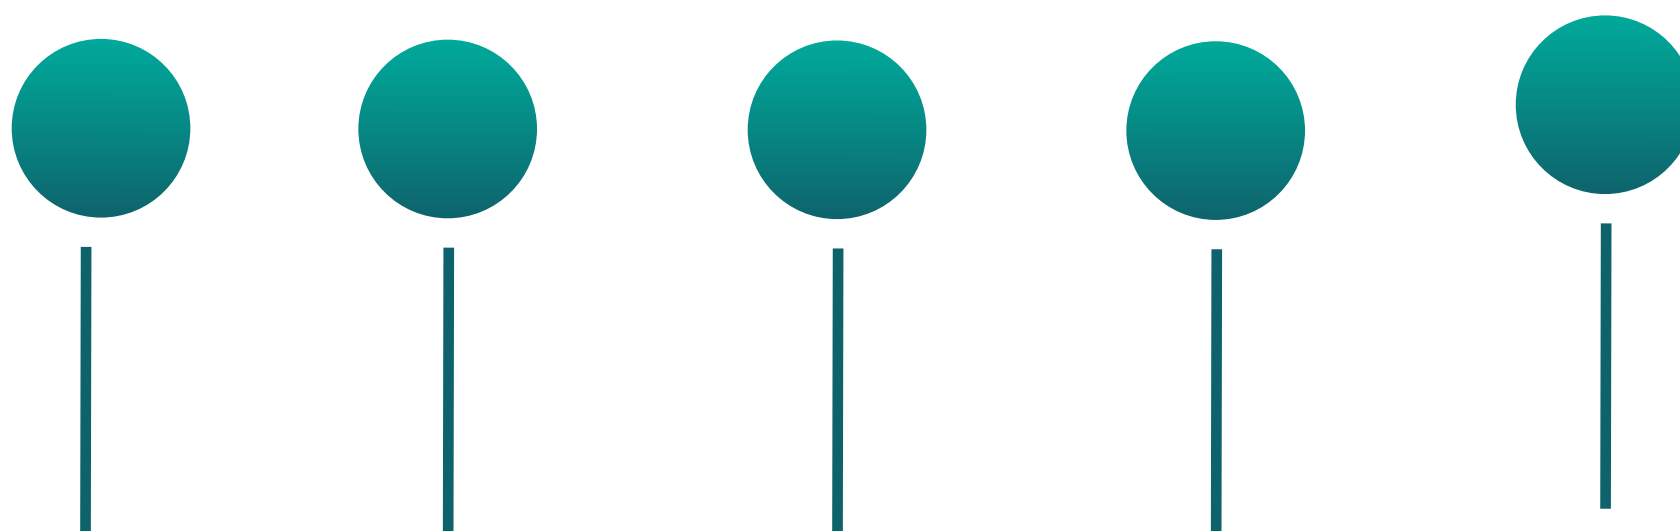

Should you be direct?

How to introduce yourself?

How to showcase your skills
and achievements?

How to make yourself a
strong candidate?

Should you send follow up
messages?

5 Paragraph Formula

Opening Paragraph

Be Direct

Be Direct in your first line.
Mention the purpose of your
mail/message.

(Nobody likes people beating around the bush)

Second paragraph

Introduce yourself

Briefly describe your work experience, portfolio, and educational background.

(Makes you a genuine candidate)

Third paragraph

Build your story

Give convincing reasons about the career choices you made, & the courses you did.

Write about your interests, passion, & next goal in life.

Mention how you are handling the crisis situation.

(Show that you are focussed & have a positive attitude)

Fourth Paragraph

Talk about your achievements.

Any competition you won,
certification, letter of appreciation
at work, etc.

(Give your recruiter a reason to consider
you instead of others)

Fifth paragraph

Close on a positive note.

Mention that you have gone through the company details and website.

It would be exciting to be a part of the team and work together if there's an opportunity anytime soon or in the future.

(Don't forget to attach your resume or portfolio)

Example

Subject : Job Application for the role of Content Writer

Dear Sir,

I am writing this mail looking for an opportunity to work with Growthdish as a Content Writer.

I have 3 years of experience of working as a writer in multiple industries (Details in portfolio). I also have a blog on wordpress where I regularly write detailed articles on Digital Marketing topics (Link).

2 of my articles recently got featured in The Digital, a leading newspaper (Link).

I have a background in Engineering and I have trained myself for this career by reading books, taking online courses and articles online. I am deeply interested in growing as a marketer, writing being my core strength.

I am regular consumer of blogs of Growthdish and a long time follower in social media.

It will be a pleasure to work with you and learn from your experience now or anytime in future.

Regards,
